**Trish Draper**  
wishes you and your family  
a very Merry Christmas  
and a safe and happy New  
Year in 2007!

**Your gift will help to  
put a smile on the face  
of a needy child this  
Christmas. Thank you!**

Again in 2006, I will be continuing the Makin tradition by collecting gifts for children between the ages of one to twelve, which I will then provide to the Salvation Army to be donated to children and families who are less fortunate than ours and who are in genuine need of our help and support.

I invite you to donate a small gift for a child of a struggling family living in our local community. Last year, I was overwhelmed at the generosity of our community and would like to thank the many people who have supported this initiative and help bring the joy of Christmas to local underprivileged families.

I would like to take this opportunity to acknowledge and pay tribute to our emergency service personnel, our police officers, fire fighters, nurses and care workers who work over the Christmas period and wish them a safe holiday period and a prosperous New Year. I would like to thank all of our community organisations, church groups and volunteers who donate many hours of their time to contribute to our local community and whose actions make a real difference to the lives of many.

I would also like to wish students in Year 11 and 12, who have completed their final year exams good luck in making the transition from school to university or the work force.

Finally, can I wish all members of the Makin electorate a very happy Christmas and a safe and prosperous New Year.

*Gifts can be placed beneath the Christmas Tree in my office at 959 North East Road, Modbury, by December 16, 2006*

Yours sincerely,
