Mrs Trish Draper MP
Federal Member for Makin
959 North East Road
MODBURY SA 5092

Dear Mrs Draper,

I am writing to give the Australian Christian Lobby's endorsement of you, for the outstanding job you are doing while in the Federal Parliament, in championing family and Christian values.

The Australian Christian Lobby is apolitical. We encourage Christians, and those who hold Christian values, to vote for individual candidates who will provide those values, regardless of Party.

Despite the recent media frenzy, we are in no doubt of your values and the value of having you in the Federal Parliament for our constituency. You are one of just a few backbench Parliamentarians who have consistently not just supported, but actively championed those values. You have repeatedly proven yourself by sound judgement, keen political discernment and above all action, as a most effective representative in the Federal Parliament. This includes your strong and active support for the *Tough on Drugs* program and your opposition to 'injecting rooms'.

You retain our full confidence and trust and we wish you well at the forthcoming election.

Yours sincerely,

Jim Wallace AM
Executive Chairman
